Opinion poll: ‘User satisfaction with official statistics’, Opinion poll: ‘User satisfaction with official statistics’, data collection period: 28.09 – 27.10.2026

Please complete the survey HERE [1]

STATISTICA MOLDOVEI

Limba poate fi selectată din partea de sus a paginii / Язык можно выбрать наверху страницы

Dear users,

The purpose of this survey is to assess data users' level of satisfaction with the official statistics provided by the official producers of statistical data in the Republic of Moldova — the National Bureau of Statistics and the National Bank of Moldova. Your opinion is very important to us, as it will help us improve our statistical products and services, taking into account your needs.

Completing the questionnaire takes approximately 10–15 minutes.

We assure you that your individual answers will be dealt with in strict confidence.

We count on your responses and would like to thank you in advance for your cooperation and contribution.
