# Cod of Ethics and Professional Conduct of the National Bank of Moldova

The application of a framework of ethics and professional conduct is part of organisational governance in the National Bank and an essential condition for the NBM to continuously be a professional institution whose performance strengthens its strategic positioning in the financial system and generates public confidence

This Code of Ethics and Professional Conduct of the National Bank of Moldova is drawn up pursuant to Article 26 paragraph (1) letter d) of Law No 548/1995 on the National Bank of Moldova, paragraphs 21-22 of the Regulation on Organisation and Functioning of the Supervisory Board of the National Bank of Moldova, approved by the Decision of the Supervisory Board No 25 of 23 August 2019, taking into account the legal framework, good practices and international standards applied by other central banks and international financial organizations<sup>1</sup>.
