Deadline for design competition for jubilee and commemorative coins, issuance of 2024 and 2025, is extended

The National Bank of Moldova (NBM) has responded to requests from citizens to extend the deadline for the design competition for jubilee and commemorative coins, issuance of 2024 and 2025.

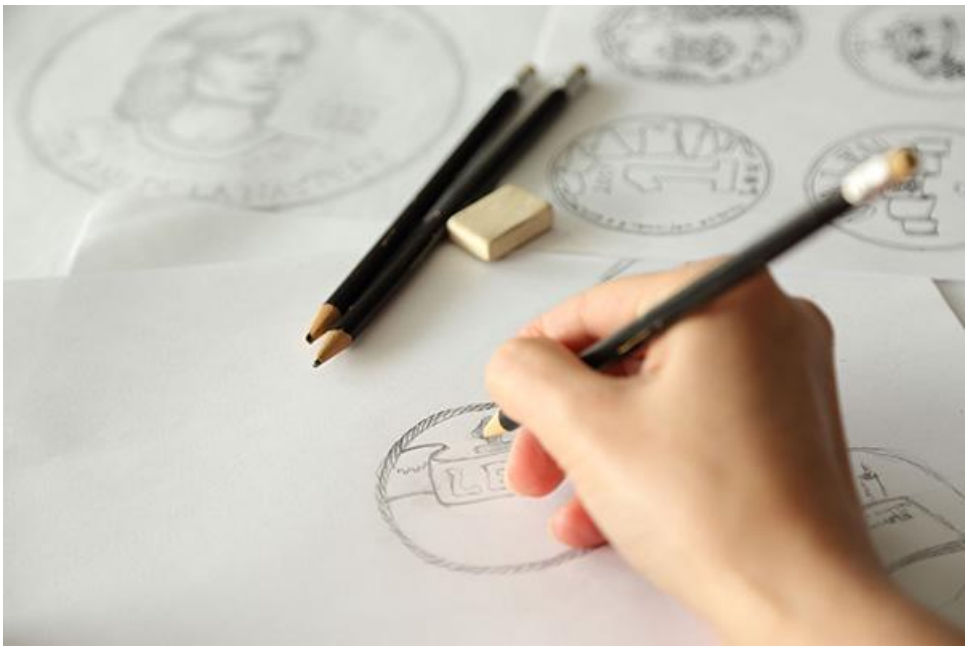

Thus, interested persons can submit design projects **until 7 May 2024, at 14.00**. In this context, the National Bank encourages all citizens who have reached the age of 18, as well as legal entities, to express their graphic vision of future coins. The number of drafts submitted by a participant for a topic is not limited, but not less than two conceptually different drafts per selected topic. Participants are required to comply with copyright and related rights. Participants are required to comply with the legislation on copyright and related rights.

The basic criteria for the selection of the submitted projects refer to originality, creativity, esthetics and coherence of the design elements, to be possible to execute them on the surface of the coins.

The requirements for the design of the coins, examination and evaluation conditions, remuneration, including other important details, are set out in the Procedure for the design competition for jubilee and commemorative coins, issuance of 2024 and 2025 [1].

Detailed information on jubilee and commemorative coins issued by the NBM so far can be accessed following the link: http://www.bnm.md/en/content/commemorative-coins [2].
