[4]

1. Broad monetary base includes money put into circulation by the National Bank of Moldova (except cash in the vault of the National Bank of Moldova), bank reserves in lei (held in corresponding accounts at the National Bank of Moldova), required foreign currency reserves, "overnight" deposits of banks and sight deposits of other organizations at the National Bank of Moldova.

2. Currency in circulation M0 represents circulating cash issued by the National Bank of Moldova, except for cash in banks and NBM vault.

3. Aggregate data may not correspond exactly to the sum of the components due to mathematical rounding.

4. Money supply M1 includes currency in circulation (M0) and residents' domestic currency sight deposits.

5. Money supply M2 includes money aggregate (M1), term deposits in Moldovan lei of residents and money market instruments.

6. Money supply M3 includes M2 money supply and residents' foreign currency deposits denominated in Moldovan lei.

7. Deposits are structured by institutional sectors under the Instruction on completion by licensed banks of the Report on monetary statistics (Official Monitor of the Republic of Moldova No 206-215 of 2 January 2011). Other resident sectors include sectors of the households (individuals, individuals performing an activity) and non-profit institutions serving households.

8. According to the IMF methodology, loans to non-residents, interbank loans, and loans to the Government of the Republic of Moldova are excluded from the total claims on the economy (including data from banks under liquidation).

9. Recalculated using the official exchange rate of NBM at the end of the period.

10. Claims on domestic economy represent claims of the banking system of the Republic of Moldova (including banks in the process of liquidation), in domestic and in foreign currencies, on non-financial commercial companies, which majority ownership is public or private, on other resident sectors. This

indicator includes loans and borrowings (including overdue debt), overdue interest on loans; debt securities and shares; other claims.
