The meeting of the National Committee on Financial Stability on April 26, 2021

The National Committee on Financial Stability met on April 26, 2021, during the ordinary meeting, to examine the current situation in the banking sector, the insurance sector and the non-bank lending sector.

The evolutions of the sectors during the last year, as well as the impact of the COVID-19 pandemic on the activity of the financial market segments and their annual results were discussed during the meeting.

Also, the measures taken by the National Bank of Moldova and the National Commission for Financial Market in order to support debtors – individuals and economic agents, maintain the resilience of financial institutions and stimulate financial intermediation during the state of emergency caused by COVID-19 were analyzed.
