National Bank of Moldova launches design competition for jubilee and commemorative coins 2023

National Bank of Moldova (NBM) launches design competition for jubilee and commemorative coins 2023.

The competition is open to individuals who have reached the age of 18, as well as legal entities, who can display their graphic vision on future coins. The number of drawings submitted by a participant for a topic is not limited. Participants are required to comply with copyright and related rights. By participating, the author of the design agrees to the processing of personal data.

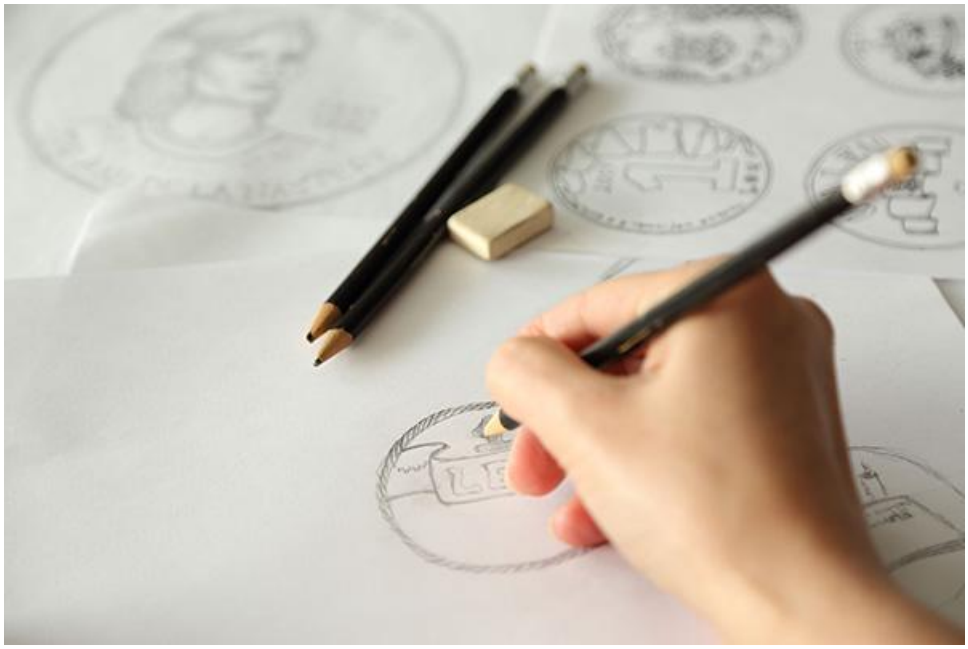

The basic criteria for selecting the presented projects refer to the originality, creativity and coherence of the design elements, so that it is possible to execute them on the surface of the coins.

The requirements regarding the design of the coins, the conditions of examination and evaluation, the method of remuneration, including other important details, are set out in the Design procedure for jubilee and commemorative coins 2023 [1] (enclosed).

Detailed information on jubilee and commemorative coins issued so far by the National Bank of Moldova can be viewed using the link: https://www.bnm.md/ro/content/monede-comemorative [2]

The deadline for submission of design projects is **19 May 2023, 14:00**.
