NBM Annual Audited Financial Statements, 2016

NBM Annual Audited Financial Statements, 2016 [1]

This report elucidates the financial status of the National Bank and has no direct connection with the primary objective of ensuring and maintaining price stability.

The audited financial statements comprise the balance sheet as at 31 December 2016, and the statement of comprehensive result, statement of capital and reserves and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In auditors' opinion „the accompanying financial statements present fairly, in all material respects, the financial position of the Bank as at 31 December 2016, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards."
