The meeting of the National Committee on Financial Stability on September 26, 2022

The National Committee on Financial Stability held its ordinary meeting on September 26, 2022 to examine issues related to the current situation of the component parts of the financial system.

The members of the Committee analyzed the current situation of the banking, insurance, and non-bank lending sectors, as well as the actions to mitigate the risks in the supervised sectors, undertaken by the National Bank of Moldova and the National Commission for Financial Markets.
