Diversity and inclusion

The NBM values the professionalism of each employee without any direct or indirect discrimination based on gender, age, race, skin colour, ethnicity, religion, political choice, social origin, domicile, disability, HIV/AIDS infection, union membership or activity.

The NBM aims to reflect our society in all its diversity so that the best professionals of different ages, ethnicities, geographic locations, life experiences can contribute to the optimal achievement of the National Bank's core objective and tasks, respectively, the importance of respecting equity, diversity and inclusion being a priority in the NBM staff policy.

<p>Within the NBM there are employees that are part of different active generations in the labor market, therefore ensuring the continuity of the knowledge achieved, as well as there are created optimal conditions to go along with new trends in the finance and banking sector and with the innovation.</p> 	<p>NBM is an institution within which the gender equality is respected and promoted. Women share in the NBM team is a significant one, a tendency reflected as well in the management body of the institution.</p> 	<p>The Republic of Moldova is a multi-ethnic, multicultural and a multinational state and the NBM reflects this reality. Thus, within the NBM there are activating employees of different ethnical minorities, such as: Ukrainians, Russians, Bulgarians, Gagauzians.</p> 	<p>The NBM provides an open working environment, inclusive and accessible to all workers, including those with disabilities. There are workers with special needs in the institution.</p>
