## Developments in DEPOSITS markets in June 2025 [5]

### Statistical data [6]

Instruction on the compilation and submission of reports on interest rates applied by the banks in the Republic of Moldova, approved by the DEB of the NBM No 331 of 01.12.2016 [7]

1. The press release is made based on the data reported according to the Instruction on the compilation and dissemination reports regarding the interest rates applied by the Moldovan banks, approved by the Decision of the Executive Board of the NBM no.331/2016. The definitions used in the press release, especially the definitions of new loans, businesses, individuals and individuals performing an activity have the meaning from the above-mentioned Instruction.

2. Foreign-currency-linked loans represent loans whose balances, according to the conditions established in the corresponding contracts contracted by banks, change depending on the evolution of the Moldovan leu exchange rate against the currency to which they are linked.

Note: In the charts the aggregated data may not match the sum of components due to the mathematical rounding.
